

5 Easy Steps To Get You Started

1

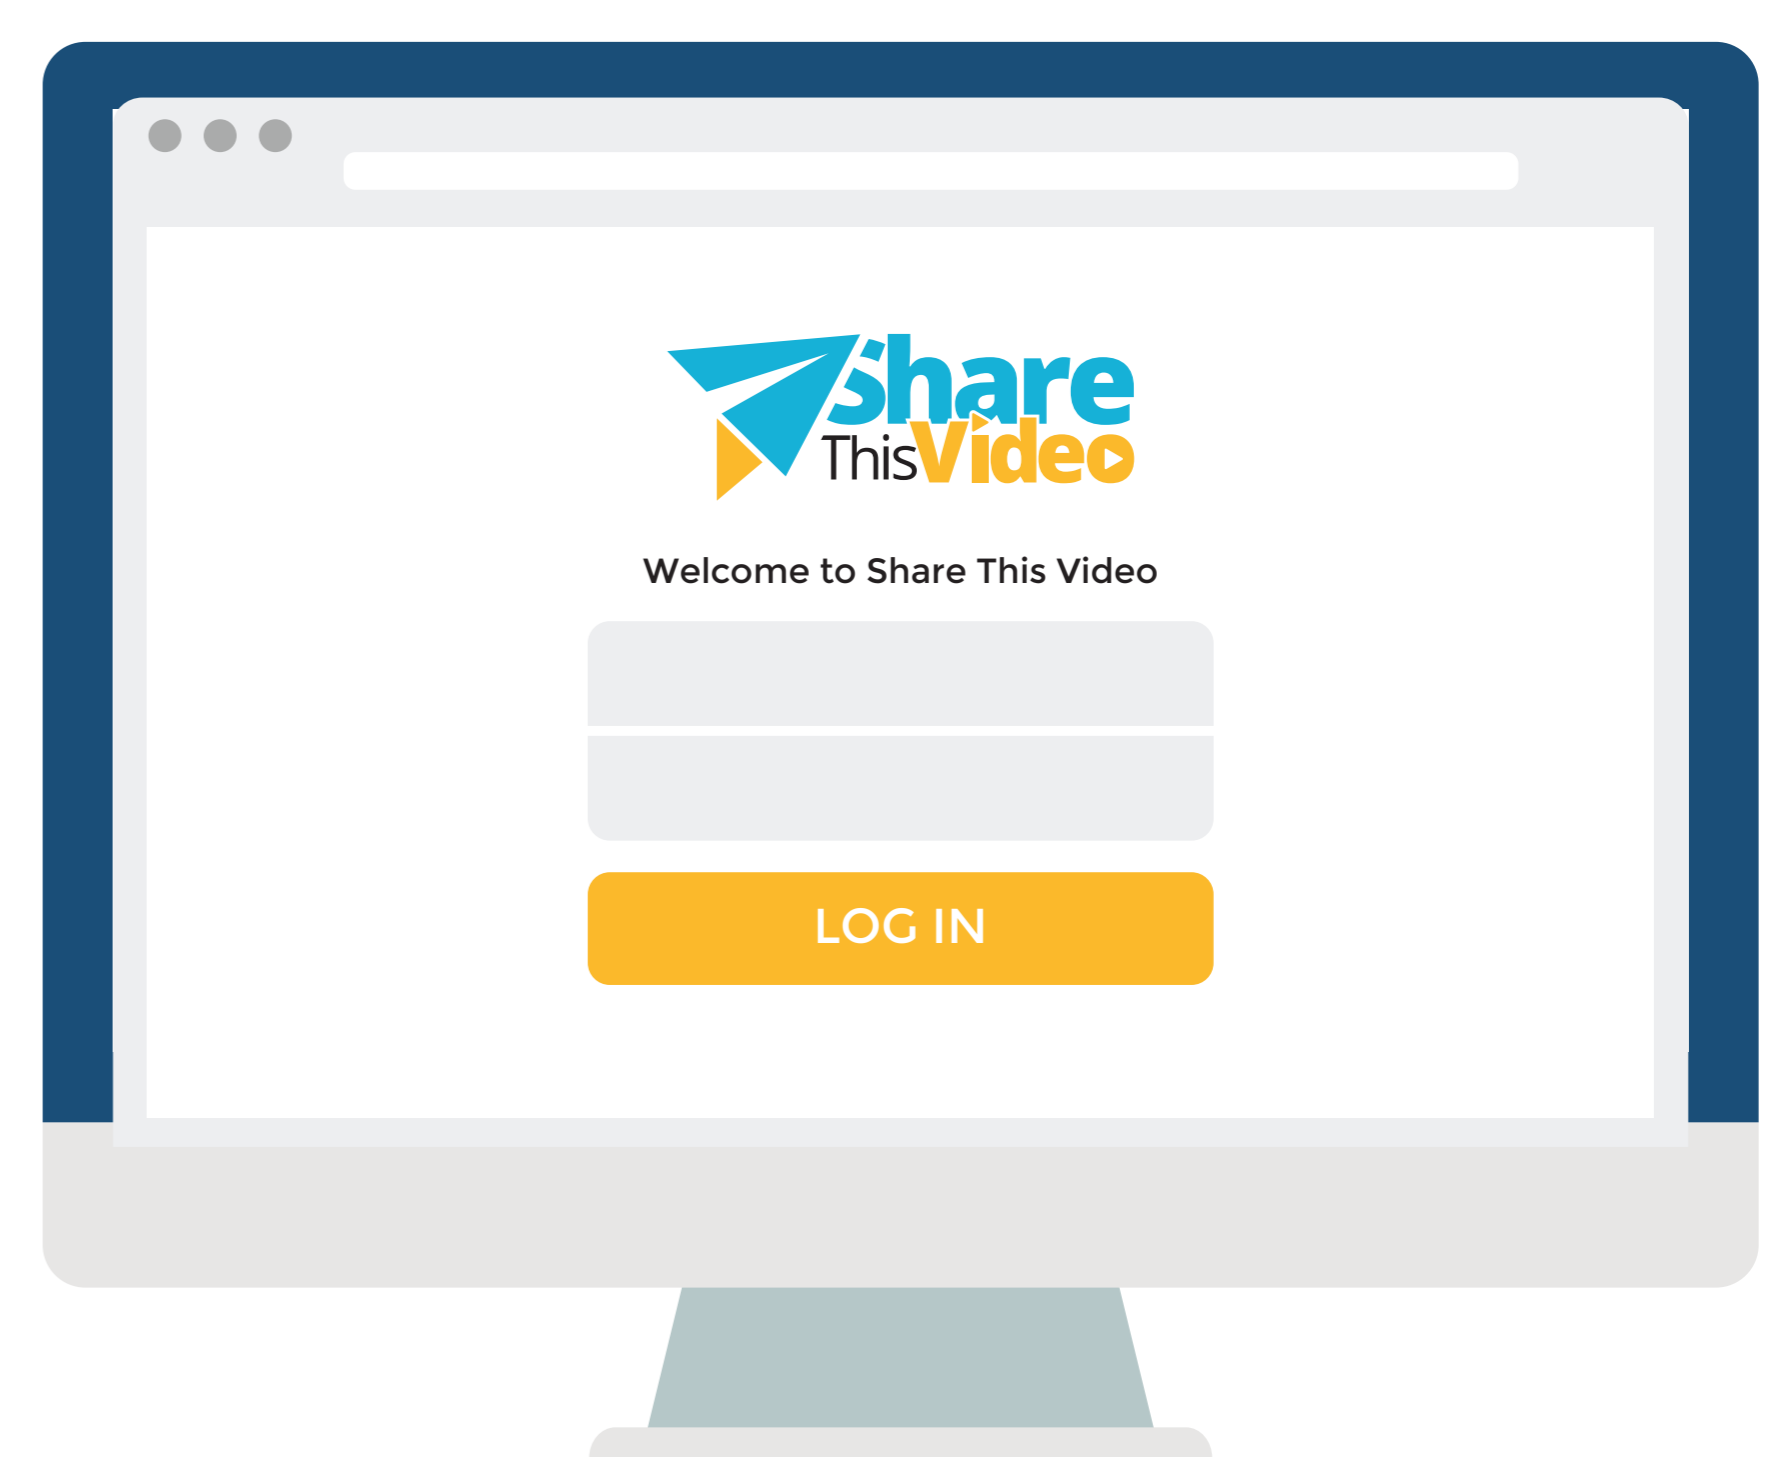

Fill us in

Once you sign up, we get to know your business in a short form. This helps us brand your marketing, set up your newsletter and get your social media on track.

Login to ShareThis.Video

The team will send you a login to see all of our videos from here your web developer can add them to your website, you can send them from your mobile phone and include in any emails. You have unlimited access to all the videos at anytime.

2

3

Get your list together

Depending on your CRM or how you keep your database. Send it through to us to start marketing to. Send it as a simple spreadsheet and we work our magic. You can send us updates at any time.

4

Add your super signature

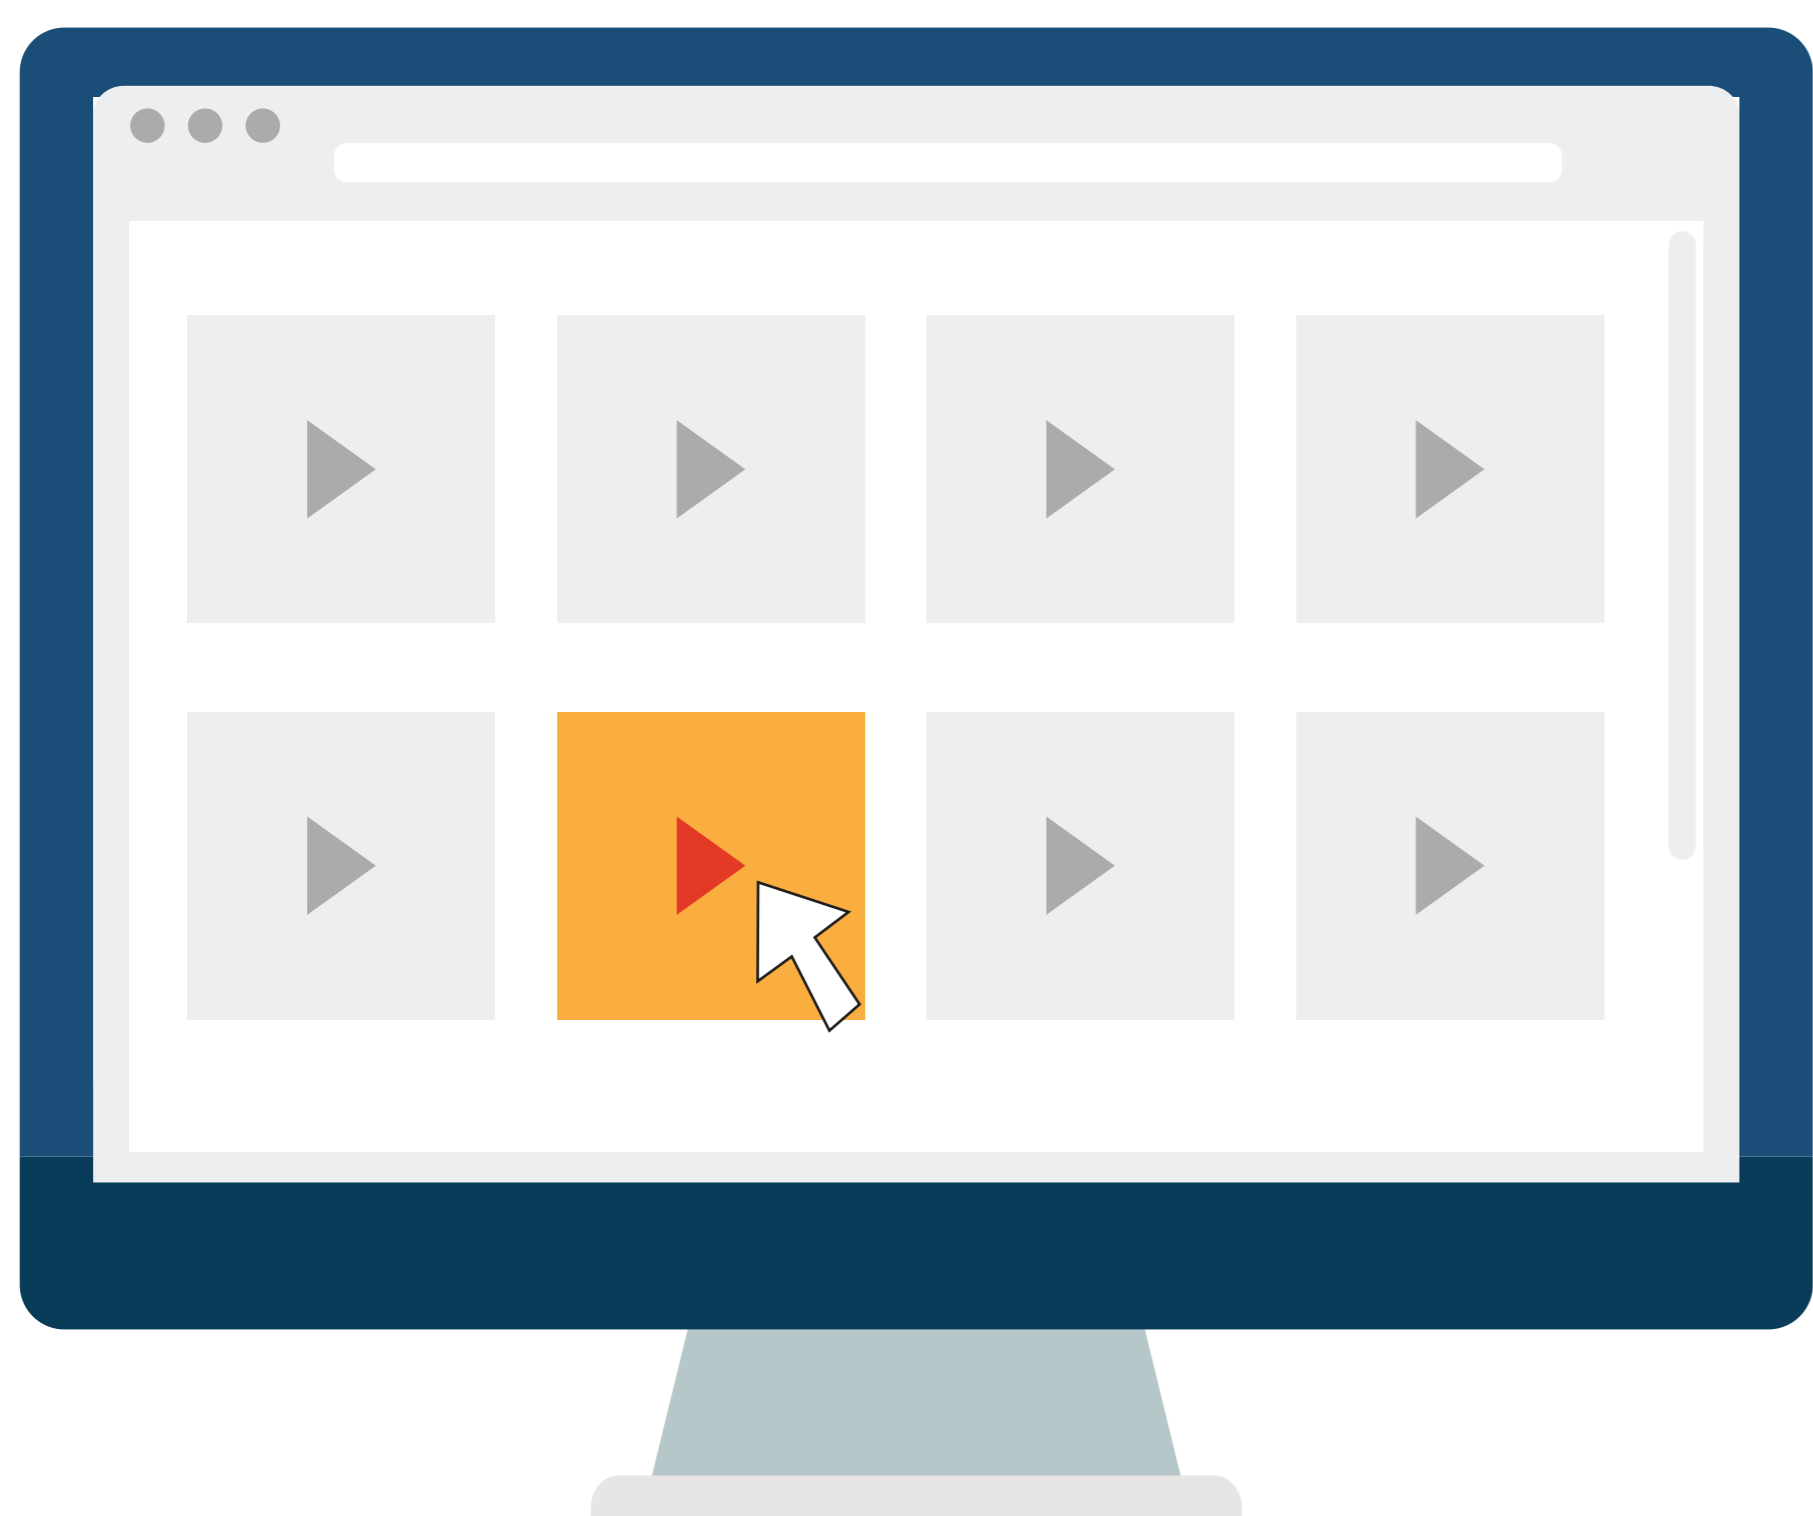

This is as easy as copy & paste. It adds up to 3 videos into the footer of your signature

5

Pick your videos

In our simple campaign selector, you can pick the videos you want your clients seeing. You can choose up to 12 months in advance in one sitting saving you time. Then sit back and watch them roll out.

Then just leave it to us like clockwork!

Your newsletter rolls out each month, videos posted to social media and your super signature works on autopilot.

You have access to all the videos, all the time. So can use our more advanced marketing strategies if you choose. All available in our playbook.
