

Activate Auckland Advice & Implementation Funding Process

1. Register

Complete the online registration form on Activate Tāmaki Makaurau's Website - [Click Here](#)

2. Request A Quote

Log in to your Community Account and request a quote from Virtual Innovation Group Limited, and apply for your Business Advice support.

3. Initial Meeting

We will book an online meeting to make sure we are the right fit & understand your needs to prepare the quote (this may sometimes happen before you apply).

4. Proposal

We submit a proposal which you will be able to choose in the portal.

5. Assessor approval

An Activate Tāmaki Makaurau Assessor will check and approve if your business /organisation is qualified (or they may request more info from you).

6. Contract Signing

If your application is approved, both parties are given a contract to sign and we can get to work.

7. Once Complete

On completion, you let Activate Tāmaki Makaurau know to pay for our services & you can give us a review! If implementation is recommended we go through a similar process to start the work.
